[HTC DWO 05.pdf](#)

Attached is the signed work order 05.

I have a list of Radon System companies and will be calling today to obtain info on what is needed for information to obtain pricing.

Importance: High

Please finalize the 1900 dated 04-28-16.

Attached is the DWO.

Please let me know what information is needed about the home for the radon mitigation installation subcontractors. Meaning....do they need to visit the home in order to provide bid? Do they just need home type/description? Other?

Thanks
